

## IELTS Score Description Chart

<b>Band Score</b>	<b>English Level</b>	<b>Description of IELTS Bands</b>
9	Expert	Full operational command of the language - appropriate, accurate and fluent.
8	Very Good	Full operational command of the language - occasional unsystematic inaccuracies and inappropriate usage. However, you can handle detailed argumentation well.
7	Good	Operational command of the language - occasional inaccuracies, inappropriate usage and misunderstandings in some cases. However, in general, you can handle complex language well and handle detailed reasoning.
6	Competent	Effective command of the language - some inaccuracies, inappropriate usage and misunderstandings. However, you can use and understand fairly complex language, especially in familiar situations.
5	Modest	Partial command of the language - make many mistakes. However, you can handle basic communication in your own field.
4	Limited	Basic competence is limited to familiar situations - frequent problems in understanding and expression and you are unable to use complex language.
3	Extremely Limited	You can understand and convey only general meaning in very familiar cases - frequent breakdowns in communications.
2	Intermittent	You have difficulty understanding written and spoken English.
1	Non-user	You do not have the ability to use the language except a few isolated words
